

## *2012 Standard of Excellence Award*

### *Now Accepting Nominations*

The AGC Houston *Standard of Excellence Award* is presented annually and gives special recognition to a construction industry employee who most exemplifies the highest standards of excellence: commitment to quality, customer service, cooperation, teamwork and professionalism.

All construction industry employees are eligible - employees of general contractors, subcontractors, suppliers, service companies, architects and engineers. Officers, owners or partners of companies are not eligible.

#### *Criteria*

- The individual must consistently set the standard of excellence in regards to commitment to quality, customer service, cooperation, teamwork and professionalism.
- Nominations can be based on either a daily commitment to excellence or outstanding personal effort on a special project or event in the workplace.

#### *Nominations*

Nominations are accepted throughout the year and a special recognition award will be presented in the spring of 2012 at the Patrick J. Kiley Excellence in Leadership Scholarship Awards Breakfast.

To nominate someone you believe exemplifies the standard of excellence in the construction industry, please write a letter stating why you feel the person deserves the award and send it to:
